PUBLISHED BY THE SENIOR CLASS
CLAREMONT CENTRAL HIGH SCHOOL
HICKORY, NORTH CAROLINA

THE HISTORY OF

As you rush from class to class, fairly running down the hall for fear you might be late, do you ever wonder about the structure housing you approximately seven hours every day, five days a week, which is celebrating its 25th year as Claremont Central High School? Yes, in 1925, accompanied by 17 teachers, 350 boys and girls entered the new High School building. To them it must have been a wonderful experience to enter such a spacious school. At that time the biology and chemistry classes had lecture rooms and laboratories, and the auditorium was so large the students thought it could never be filled! Little did they dream that dear ol' H.H.S. would be like the old woman who lived in the shoe and would have so many children she wouldn't know what to do.

In 1933, with the enrollment steadily increasing, Mr. W. D. Cottrell became principal, succeeding Mr. S. W. Thompson. Changes were going on outside, as

HICKORY HIGH SCHOOL

well as inside, the building. Shrubs had replaced the bare look of the building and ivy graced the walls.

Every school has its extracurricular activities, and Hickory High was no exception. The band, which was discontinued during the war, was reorganized by Mr. L. D. Walker in 1945. Two of our most active clubs, the Hi-Y and Tri-Hi-Y, were established in 1941. In the field of sports we have been most active, which can readily be proved by looking at our many trophies on display. The American Legion presented the student body with a new flag which waves from the top of our new flagpole.

Through the years many students have walked through the halls of Claremont Central High School, sat at her desks, and sung her songs. They have given her a glorious past, and we must give her an equally glorious future.

FOREWORD

STUDENTS, you now have your '49-'50 Log. This year it is a special one because your school is celebrating its twenty-fifth anniversary. Dear old Alma Mater was built in 1924 and has been standing ever since. We, of the Log Staff, have tried our best to give you a bigger and better Log.

Our theme for the Log is *Community*. We have tried to put in places and things that you will enjoy seeing and remembering in later years.

We have enjoyed our work this year and we sincerely hope you like the results of it.

DEDICATION

To MRS. EARL REESE, who has shown the deepest interest in all our undertakings, who upon repeated occasions has given tirelessly and loyally her best to the advancement of Hickory High, we honor ourselves by dedicating this, the 1950 "Log"!

*Power is the rate at
which work is done.*

OUR SUPERINTENDENT

Mr. J. Loy Sox

Superintendent of the Hickory City Schools

Since 1947 the Hickory City Schools have been under the competent supervision of Mr. J. Loy Sox. Before Mr. Sox became superintendent of the city schools, he was Educational Director of the North Carolina Prison System for nine years, principal at Startown School for eleven years, and principal at Highland School for three years.

Mr. Sox received his elementary training in the Hickory City School, but attended high school in South Carolina. He is a graduate of Lenoir Rhyne College and has an A.B. Degree.

Mr. Sox says that he enjoys his work very much particularly that of working with the principals of the various schools and the school children.

OUR PRINCIPAL

MR. W. D. COTTRELL

"Virginia's loss, but Hickory's gain." How true these words are when applied to our very capable principal, Mr. W. D. Cottrell. We are indeed fortunate in having Mr. Cottrell in this school.

As proof of his excellent ability as principal, perhaps you would like to know something of his past. He was born in Virginia and completed his grammar and high school training there. At Virginia Polytechnical Institute he received his A.B. degree and furthered his education at Peabody College, Lenoir Rhyne College, The Ringling School of Art in Florida, and the University of North Carolina.

After finishing his schooling, Mr. Cottrell taught science at Hickory High School. He next accepted the position as principal at Oakwood. Alternating for a number of years as principal between Oakwood and Hickory High School, Mr. Cottrell settled here. He has been principal here for eighteen years.

Mr. Cottrell states that he is very pleased with his work and finds pleasure in dealing with others. Realizing the importance of the fine job he has done, and hoping he will continue to do, we wish to express our appreciation and best wishes to our principal.

MCGOWAN, JONES, SHUFORD

FOREIGN LANGUAGE

Nous avons venu, vimon, vicimus, or at least the teachers of the languages hope you did. The following are our very capable language teachers: Mrs. Vera McGowan, Latin; Mr. Worth Jones, Spanish; Miss Adelaide Shuford, French and Spanish.

ENGLISH DEPARTMENT

Our very competent English department is made up of Miss Emogene Locke, Mrs. Ernest Roseman, Mrs. A. B. Parker,

ROSEMAN, ALLISON, PARKER

MCCOMB, GREER, LOCKE

Mrs. Burch Allison, Mrs. Steele Greer, and Miss Millie Kate McComb. These are the people who are always willing to assist us with any of their grammatical knowledge.

BUSINESS DEPARTMENT

Is this where your interest lies? Our business department consists of D.E., D.O., Bookkeeping, Shorthand, and Typing. Our very efficient teachers are: Mrs. Jack Spainhour, Mr. John Steele, Miss Helen Morgan, and Mrs. Betty Nell Tuttle.

MORGAN, TUTTLE, SPAINHOUR, STEELE

ABERNETHY, STARNES, DIXON

MATH DEPARTMENT

Math plays an extremely important part in our life, both in school and out of it. What should those poor souls who can't count correctly do? The solution is to

start now being students of Miss Lena Greever, Miss Lelia Shore, Geometry; Mrs. Allison Abernethy, Miss Ethel Starnes, Algebra I; and Miss Rosa Lee Dixon, Algebra II.

SHORE, GREEVER

How could I have a study hall with out you, Betty in it? I guess next year I will see to it that you work hard, and still be my little talkative Betty - Love,

Doris Sigmon

SIGMON, BAGBY, CILLY

HISTORY DEPARTMENT

The history department includes U. S. history, European history, civics, economics and sociology, and the history of the Bible. When we take one of these, we are well on the way to understanding our world today. These subjects are taught by Mrs. Clinton Cilly, Mr. Charles Bagby, and Mrs. Doris Sigmon.

HOMEMAKING

Hickory High girls should be the best dressed, best fed girls ever. We contribute this to our excellent homemaking department where we are instructed in sewing by Mrs. Earl Robinson; cooking by Mrs. Robert Brawley.

ROBINSON, BRAWLEY

REESE, BARRINGER, BORDERS

PURE SCIENCE

Do you want to split the atom, dissect a frog, or have a general knowledge of science? By all means take chemistry and physics under Mrs. Earl Reese, biology under Miss Margie Barringer, or general science under Mrs. Andy Borders.

THE ART DEPARTMENT

The place which art occupies in the experience of a people is an indication of the life of that civilization. The final test of an economic system is not in the tons of iron, the tanks of oil, or the miles of textiles it produces; the final test lies in its ultimate products; the sort of men and women it nurtures, and the order and beauty and sanity of their communities. The art department therefore seeks to instill sound principles of design and beauty into the minds of the students, and to develop their skills and insights so that they may be able to express these ideas in noble and rational form. Sound art principles can be applied to everyday problems of living, such as appropriate colors in dress, interior decoration and furnishings for homes, landscaping the home, school or church; in fact, art is one of the most basic and direct approaches to achieving that order, beauty, and sanity of life which makes a community a "better place in which to live."

BURRUS, WALKER

BARGER, LINK, LUPER

THE MUSIC DEPARTMENT

"Music must take rank as the highest of the fine arts—as the one which, more than any other, ministers to human welfare." Certainly when we are privileged to listen to the rhythmic cadences and lovely harmonies of the High School Chorus under the direction of Mr. Walker, we would not question the truth contained in the above statement. By the varied types of music they render, they can calm or enliven our spirits, inspire us to noble endeavor, and lift us to the edge of the infinite. Truly, music hath charms to soothe the savage breast, to wash away from the soul the dust of everyday life. Truly, without music, life would be a mistake.

PHYSICAL EDUCATION DEPARTMENT

If you have aching bones it's probably because of those exercises you have to go through in physical education. Mr. Luper, Physical Education; Mr. Barger, Health; Mrs. Link, Health; really believe in giving you a workout.

LIBRARIAN

One of the most difficult jobs in our school is given to our librarian, Miss Council, whom we could never do without.

STUDENT COUNCIL

OFFICERS

EMMETT CODY	President
NANCY JO DONNELLY	Vice-President
MR. WORTH JONES	Adviser
MARJORIE CRUMP	Recording Secretary
LORENE HUFFMAN	Corresponding Secretary

Those who are elected by their respective classes for Student Council are fitted for any situation that comes up, for they are the coordinators between the teacher and the student.

All elections of class officers, new council members, class registration, preparation and selling of football programs, the feeding of the squad, and many various other activities requested by teachers, students, and the principal, are conducted by them.

HOME ROOM REPRESENTATIVES

RUTH FRYE *President*

DICKIE BOYD *Vice-President*

ELIZABETH CROMER *Secretary-Treasurer*

MISS LELIA SHORE *Adviser*

This is the lower house of the Student Council. A member from each home room is elected by that room to represent them. Their purpose is to keep each room informed as to what the Council is doing and also to take to the Council any matter brought to them by the students and which comes under the Council's powers and purposes.

First row: Peggy Barringer, Marlene Kilby, Sylvia Coulter, Barbara Bailey, Myrtle Hudson.

Second row: Betty Lee McGuire, Juanita Bowman, Ellen Terry, Sara Murphy, Marijennie Barringer, Ruth Frye.

Third row: Mary Elizabeth Miller, Adelaide Bolick, Nancy Ormand, Elizabeth Cromer, Joe Buff, Lee Seagle, Jimmy Mitchell.

Fourth row: Bennett Meador, Dickie Boyd, Joe Petree, Charles Moss, Fred Abernethy, Vernie Deal, Bobby Starr, Bobby Hunt, Billy Joe Starr.

"Did you see this snapshot of 'Guiz'? Just look at that expression on his face." Talk like this is very prominent where work is being done on the 49-50 Log.

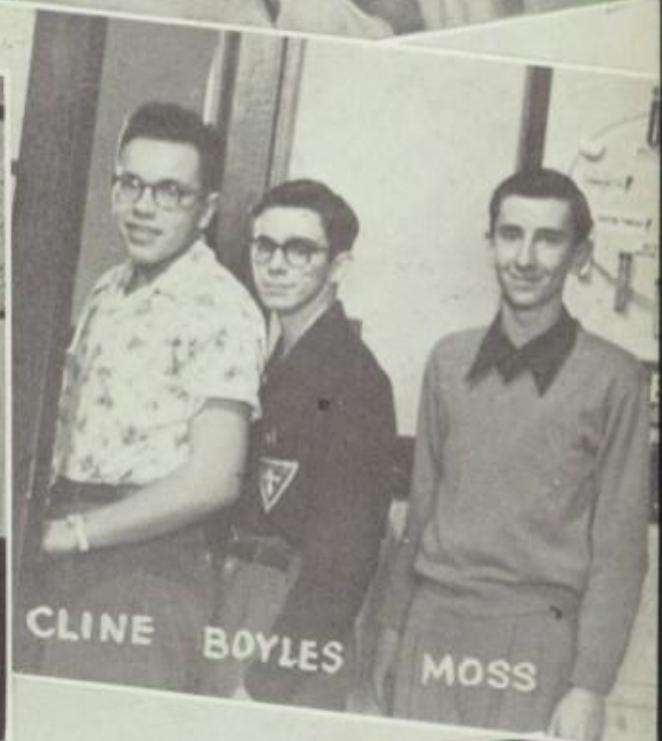

To be a member of the Log Staff you must apply in the spring. If your application is approved by a group of teachers and Mr. Cottrell, you are then notified by the senior members of the Log.

In the spring of each year delegates from the Log Staff are sent to the Southern Interscholastic Press Association in Lexington, Virginia. In one of the meetings which was held at the Washington and Lee University in April, 1949, the 47-48 annual won first place group award.

The business staff rounded up the money and the editorial staff spent it for your new and better Log. There have been many changes made in the make-up of this year's annual. The entire staff hopes that you will enjoy your Log as much as we enjoyed putting it together.

No. 7

Council Plans Purchase Of New Activity Bus

A contest will be held next week, January 16-20, among the students of Hickory High school to help finance the purchase of a new student activity bus, according to Worth Jones, Student Council president.

Students are requested to raise money by asking friends, neighbors, and the business men of the community for donations. The pupil securing the largest amount will receive a prize from the Student Council. The contest is to be taken to homes and representatives any time next week.

Citizens To Help

Local citizens, including the editor and publisher of the Daily Record, Mayor of Hickory, secretary of the Chamber of Commerce, and D. S. Menzie, Mayor of Hickory, have given their full support in the project. Several citizens have made substantial donations. It is hoped that the local radio station will co-operate by giving a platter party during the contest. Money is donated in order to purchase a new song.

The Council hopes to receive permission from the school board to sell the bus now being used for additional funds to be added in the purchase of the new bus. The bus now being used has been at the school for many years, and several times recently, it has broken down. The seating capacity is only twenty-nine, and a much larger one is desired.

All donors are asked to remember that their money will help protect the lives of those who will participate in out-of-town activities in future years.

Briefly

"Jumping Jewels," the mystery-comedy presented by Hi-Y and Tri-Hi-Y last night will be given again at the School on Saturday night, January 14.

The cast includes Nan Josephine Hambrick, Josephine Cromer, Ruth Frye, Betty Jo Stepe, Tommy Dwayne Walls, Fred D. Camp, Howard Zerden, D. Ler, and Gene Frye.

Dwayne Walls, a senior, represented Hickory High's delegation to the North and South Carolina convention to be held in Salem February 24 and 25.

Convention headquarters at the Robert E. Lee Hotel.

Students of Hickory High will be interested in knowing that Professor Leonard S. Cottrell, brother of Principal W. D. Cottrell, is Dean of Arts and Sciences at Cornell University, Ithaca, New York, was pictured in the January 9 issue of Life magazine.

The picture was taken at a Presidential reception in New York's Statler Hotel. The group shown is considered by Life to be the greatest aggregation of scientific brain-power ever assembled.

Dean Cottrell was elected the most popular professor at Cornell several years ago.

TWIG STAFF

The *Hickory Twig*, your high school newspaper, brings you news from every branch, bi-weekly, and endeavors to keep you informed about the happenings of the high school world.

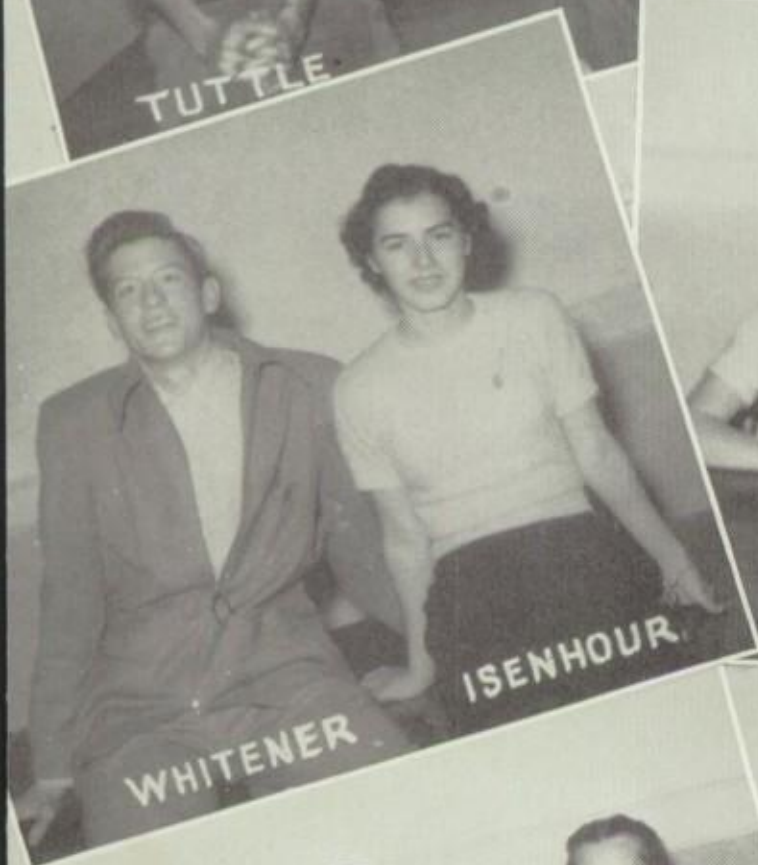

The 1948-49 *Twig* won two awards, an international first place award from the Quill and Scroll Critical Service and a first honor rating from the National Scholastic Press Association.

During the past two years the *Twig*, in addition to joining Quill and Scroll and N.S.P.A., has kept up its membership in Southern Interscholastic Press Association and joined the North Carolina Scholastic Press Institute.

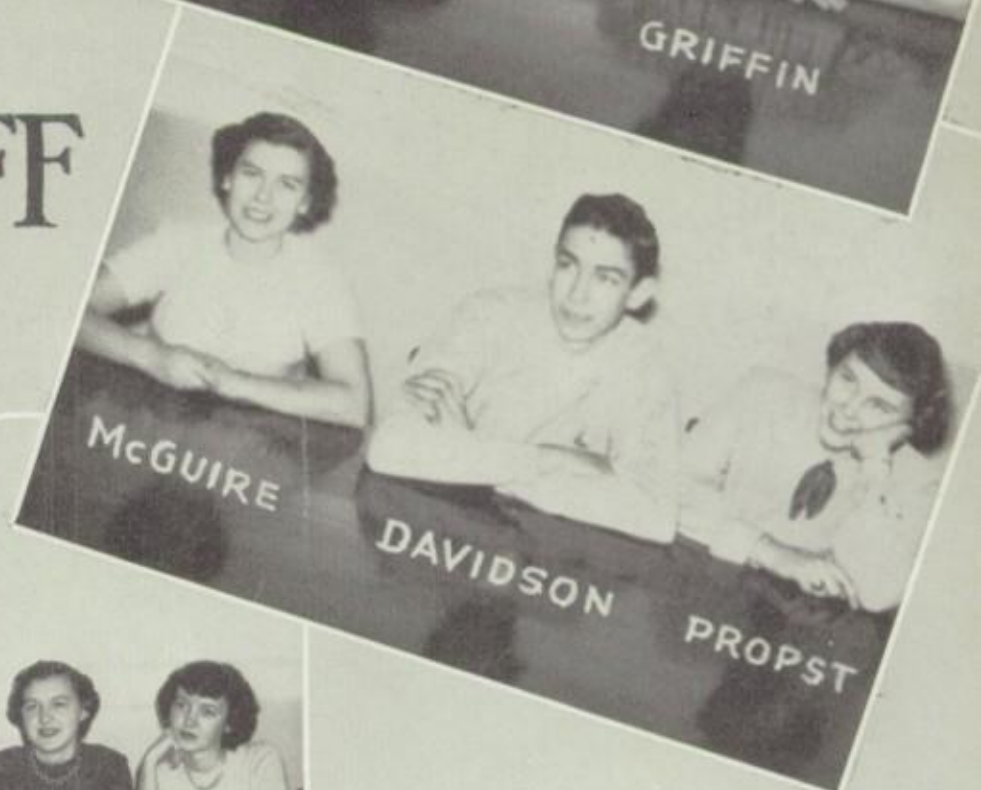

In order to improve the *Twig* more rapidly, the Staff makes use of the continuous service offered by N.S.P.A.

The *Twig* Staff has cooperated also with the Log Staff in forming an active Quill and Scroll Chapter.

BETA CLUB

Introducing, "The Brains." Some people will look at this page and sigh. We could not do without the members of the Beta Club and its adviser. Its purpose is the promotion of honesty, service, and leadership. Our local chapter helps with the March of Dimes and various other campaigns that come up. The Beta Club is ever striving to build a better school, and to them we take off our hats.

Fifth row: Helen Marlowe, Martha A. Yount, Joan Isenhour, Elizabeth Cromer, Martha E. Yount, Miss Shuford.

BETA TRI-HI-Y

"Are you going to Tri-Hi-Y tonight?" This is a common question every other Monday night, asked by most of the Junior girls. Some of their activities are caring for a welfare family, sending food overseas, and in general, doing for others. Many girls earn their points by attending meetings, going to church and participating in club activities.

JOSEPHINE HAMBRICK	President
BETTY RUTH SHERRILL	Vice-President
PATRICIA PATTON	Secretary
SARAH SHERRILL	Treasurer
MISS ADELAIDE SHUFORD	Adviser

ALPHA TRI-HI-Y

This Christian organization is for Senior girls and every other Monday night you hear—"You'd better come tonight, you need the points." Some of their activities are giving parties for underprivileged children and helping others. To remain in the club, each member must have a certain number of points; therefore, all members are active.

JUNE PERRY	President

KEY CLUB

The Key Club is an organization sponsored by the Hickory Kiwanis Club. Members of this club raise the flag on the lawn every morning before school and take it down every evening. The club gives treats to the football players after every game. They made Christmas wreathes for the Kiwanis Club and ushered, parked cars, and printed programs for the Kiwanis Holiday Invitation Basketball Tournament. The Key Club is donating a sixteen millimeter camera to the school this year.

To be a member of the club you must be a "key" boy of the school. New members are voted in at the end of the school by the old members.

Fifth row: Tommy Whisnant, Richard Roseman, Joe Brown, Jimmy Gaither, Charles Hollar, Melvin Hunt, Charles Rogers, Earl Whitener, Jimmy Whisnant, Boyd Holt, Bill Hefner, John Barger, Atwell Walker, Billy Ed Anderson, Kennet Crider, Harold Moore, Bill Bradshaw.

Sixth row: O. C. Moore, Kenneth Wilfong, Gene Kirby, Wade Burns, Bobby Hunt, Bill Cashion, Jimmy Bolch, Bobby Joe Setzer, Jerry Buff, Bob Lackey, John Lemons, Jerry Rector, Carl Ogren, Jimmy Reinhardt, Roy Whitener, Bill Little, Harold Watson, Jack Canupp.

CHORUS

Do, re, mi, fa, these melodious sounds pour forth from the auditorium each day during fifth period. Under Mr. Walker's capable direction, green-horns soon add their voices to the thrilling music that is produced at chapel time and in the spring concerts. The chorus also attends state-wide music contests each year and usually returns home with good ratings. During the school year, this group makes personal appearances for civic clubs and other organizations in town.

Hickory High is proud of their chorus and wish them the best of luck in the future.

JONELLE TEAGUE	Vice-President
BILLY ED ANDERSON	Secretary-Treasurer

BAND

With the roll of drums and the blare of trumpets, the High School Band marches forward. Could anything be more thrilling than to be a member of this organization? How do you become a member? Interested in playing an instrument? Just ask Mr. Walker. That's all. Do I get to go to the District Musical Contest in the spring? If you can play well enough!

You also get to march in the numerous parades the band attends. Can't you just see yourself marching down the street with the flags (presented by the American Legion) waving and the majorettes strutting on before?

Interesting—that's the music they learn! Amusing—that's the funny things they are always doing! Exciting—that's the High School Band! Could anything be nicer?

QUILL AND SCROLL

Good afternoon, this is your Quill and Scroll announcer bringing you the latest in happenings in and around Hickory High, sponsored by the Beatrice Cobb Chapter of the Quill and Scroll Society.

Sponsoring radio programs on station W.H.K.Y. every other Saturday is one of the main projects of the Quill and Scroll. The society has as some of its other projects, publishing the Hickory Daily Record once a year, and doing creative writing.

The Quill and Scroll is the International Honorary Society for High School Journalists, whose purpose is to instill in students the ideal of scholarship; to advance the standards of the profession of journalism by developing better journalists and by inculcating a high code of ethics; to promote exact and dispassionate thinking, clear and forceful writing.

In order to be eligible for Quill and Scroll, the student must be a junior or senior in high school, be in the upper third of his class in scholarship, and have done superior work in writing, editing, or business management. The student must also be approved by the executive secretary of the society.

The Quill and Scroll meets once a month in one of the homes.

CHEMISTRY CLUB

If you hear a loud noise from third floor or smell a strange odor (Blossom?) it is probably Mrs. Earl Reese's chemistry classes concocting a few extraordinary mixtures. Anyone want rubber or perfume? See any member of the Chemistry Club and they will inform you how to make your own.

The monthly meetings of the club are held in Mrs. Reese's room. Here the students learn more about advancements in science.

ART CLUB

Among the varied activities of the Art Club, may be mentioned the art and layout work for the LOG; assisting with posters for the floats on Homecoming Day, as well as making posters for many of the every-day school activities; the sponsoring of the annual Art Exhibit, usually held in the month of April, and from which activity has come the fine collection of Art Prints owned by Hickory High. In co-operation with those teachers who put on projects during the year, the Art Club combines its annual Exhibit with a most interesting and complete showing of hobby-work done by the students in the various departments on their projects. Too, the Art Club does its share to provide exhibit material for the annual Exhibit sponsored by the Hickory City Schools at the Catawba County Fair each fall. Noted artists and prominent citizens address the Club from time to time. Also visits are made to the Hickory Museum of Art for study and inspiration.

MECHANICAL DRAWING

Closely allied to art, Mechanical Drawing has to do more specifically with the precise and accurate representation of all objects used in machinery and building. Students acquire knowledge and skills which lead them on into drafting or architecture. Architects and engineers are invited to address the club from time to time. The Club likewise assists the art students in helping to arrange for the annual hobby and crafts show, along with the annual art exhibit.

LATIN II CLUB

And on this page we find those very brave people who flung away their worldly cares to slave by the light of an oil lamp far into the night studying Latin.

The Club invites new members from the Latin I classes to join each spring and they are welcomed in at the Roman banquet soon afterwards.

Each year the club sends a CARE package to Europe and during the holidays they go caroling, singing the songs in both English and Latin.

NANCY WALKER, TOMMY AUSTIN	Consuls
CAROLYN WEBBER	Praetor
DOROTHY WENTZ	Censor
MRS. VERA MCGOWAN	Adviser

FRENCH CLUB

Parlez-vous Francais? Oh! You don't speak French. Well, the members of the second year French Club do. They are even writing students in France, both to further their study of the language and to learn more about the French people. The members of the French Club raised money for French films for themselves and the first year students. Their aim is to create a larger interest in the French customs and ways among themselves.

D. O. CLUB

Diversified Occupations is a form of part-time education. It involves a cooperative arrangement between the commercial and industrial enterprises of the community and the high school. The commercial and industrial shops furnish part-time employment to students during school hours. Through this employment the students learn the manipulative part of the job under actual working conditions, and are instructed by a journeyman worker recognized by his trade as an expert mechanic. The school facilities are used to furnish the technical subject material related to the job being learned.

The word "Diversified" is used because one coordinator supervises the work and directs the studies in a great variety of occupations.

The aims of the diversified occupational program include:

- (1) To provide an organized plan of vocational training for entrance into the gainful occupations of the community that belong in that skilled classification.
- (2) To provide a training program that is flexible enough to satisfy the occupational needs and at the same time satisfy the individual vocational ambitions of students.
- (3) To provide a type of training that will be recognized and respected by business and industrial men.
- (4) To provide a type of program that will lead to employment, thus bridging the gap that now exists between business and schools.

CLIFFORD BRITTAIN	President
LOUETTA HUFFMAN	Vice-President
NANCY ARNDT	Secretary-Treasurer
MR. STEELE	Adviser

D. E. CLUB

Distributive Education, a course designed for those students interested in retailing, is a form of on-the-job training in which the student puts into action the fundamental principles of salesmanship learned during the year. Our study covers most of the various phases of retailing, such as: selling techniques; orientation; color, line, and design; display; advertising; textiles; and store organization. We feel this course gives us knowledge which could never be learned in a textbook but which is equally important.

PARKER'S ENGLISH II CLUB

Every other Friday during third period Mrs. Thelma Parker's English II students take over the class and liven things up. Sometimes the program committee tells a story appropriate to the season or maybe they just have a platter party with some of their favorite songs.

Whatever the program, everyone has an enjoyable time for that is the purpose of the club.

MELINDA BROWN*President*

MARTHA THORNBURG*Vice-President*

ALVERTA HUTTON*Secretary-Treasurer*

ALLISON'S ENGLISH II CLUB

"Would you be one of the hostesses for the next club meeting?" If you are one of the fifty members of Mrs. Burch Allison's English II Club you might hear this urgent request some Wednesday afternoon during one of its semi-monthly gatherings, which are held after school hours.

The club has had interesting speakers from different phases of life and talent programs consisting of the students themselves.

The purpose of the club is to keep the bulletin board decorated in Mrs. Allison's room and mainly to provide information for all the club members.

First row: Peggy Horton, Carolyn Jackson, Adelaide Bolick, Jewell Shook, Nellena Bright, Carolyn Webber, Shirley Yount, Kathryn Moore, Philomena Schuman, Altha Andrew, Betty Robinson, Freddie Jo Hewitt, Peggy Jean Woodie, Gail Page, Peggy Nan Frye, Barbara Lane.

Fourth row: Mrs. Burch Allison, Adviser; Josephine Phillips, Vice-President; Harvey Harris, President.

Not in picture: James Gantt, Secretary-Treasurer.

Boyd Holt, Joe Davidson, Tommy Austin, Lloyd Pittman, John Lemons, Joe Pope.

BUS DRIVERS

"Standing room only." That's the way it is when we get on the bus.

Our school buses are driven by boys from the senior and junior classes. They must have state bus driver's license, experience, and some mechanical abilities.

They are responsible for the lives of all the students who ride the buses. Although they have a hard job, you never hear them complaining.

They are questioned very thoroughly by Mr. Cottrell and Mr. Sox before they are permitted to drive a bus.

JANITORS

"Can you find this, can you do that?" The students and teachers call upon these hard-working janitors for any little task they feel they cannot do. We owe much to these men; George, Albert, Roosevelt, and Arthur, for the diligent manner in which they carry out their numerous tasks.

George Fingers, Albert Reed, Roosevelt Lyes. *Not pictured:* Arthur Mackie.

COACHES

RAYMOND (BUDDY) LUPER

Head Coach

Letter in high school football, baseball, and track three years—letter in high school basketball two years—selected on the All-State and All-Southern high school football teams—Duke University graduate—on All-Southern College team in 1943—obtained honorable mention on the 1943 All-American Team—that is Coach Buddy Luper, head coach at our school, who hails from Rocky Mount, North Carolina. He is doing a great job of heading our high school athletic program. Through his steady teaching of clean speech, sportsmanlike attitude, and high morals of living, he has lifted the sports of Hickory High School to a new and higher level.

FRANK BARGER

Coach

Coach Frank Barger, graduate from China Grove High School in 1940, participated in both baseball and football all four of his high school years and captained the football team his senior year. After his graduation, he entered Lenoir Rhyne College where he played football and baseball until his entrance into the Navy for three and one half years. Upon his return to Lenoir Rhyne College he was selected as the All-Conference football player, holding this honor for three years straight. He captained the football team in 1948, his senior year. This past fall he was selected on the Lenoir Rhyne's All-Time-Great Team at the guard position. Hickory High School is proud to have such men as this on its coaching staff.

Head Coach Luper and Coach Barger.

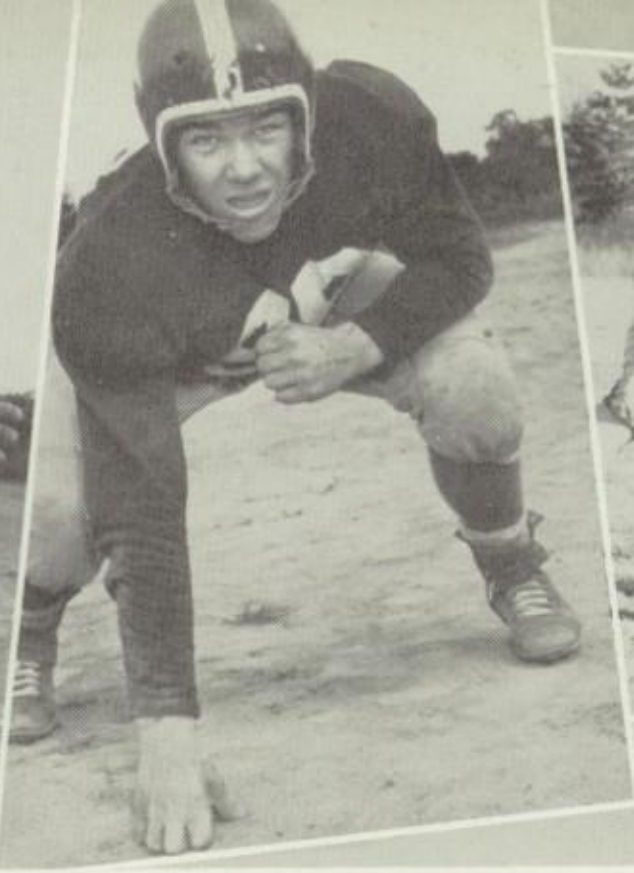

WAKEFIELD

WALLS

MAUSER

FRYE, W.

The 1949 Team

JOE WAKEFIELD, *End, Senior.*

Joe, a senior, has been one of Hickory's outstanding ends, both offensively and defensively. Joe will be missed in the Hickory line next year.

DWAYNE WALLS, *Tackle, Senior.*

This burly tackle gives it everything he has. His shoes will be hard to fill next year.

BOB MAUSER, *Guard, Senior.*

The opposing kickers will long remember this boy. It was a familiar sight to see the pigskin bounce off his barreled chest.

WILLIAM FRYE, *Center, Sophomore.*

Another Frye and he's only a sophomore. Hickory High will be expecting great things from him in years to come.

RICHARD KING, *Guard, Senior.*

Dick, a senior, may be regarded as being the fifth man in the opposition backfield. This five by five guard was a terror all season long. He was all-conference this year.

RICHARD SAINÉ, *Tackle, Senior.*

Dick, a senior, played brilliantly this fall to bring to a close three years of outstanding play. His right tackle spot will be hard to fill next year. Dick's vicious line play landed him a berth on the Optimist Bowl squad in High Point.

ADRIAN WITHERSPOON, *Tackle, Senior.*

"Spade's" biggest contribution to the team was his ability to put the other team in the hole from the very beginning. His excellent kick-offs will long be remembered.

CHARLES CAMP, *End, Senior.*

Charles will be badly missed next year at the end post. His ability to catch a pass and diagnose plays was a big factor in enabling Hickory High to have such a successful season.

JOHN COULTER, *Wing Back, Senior.*

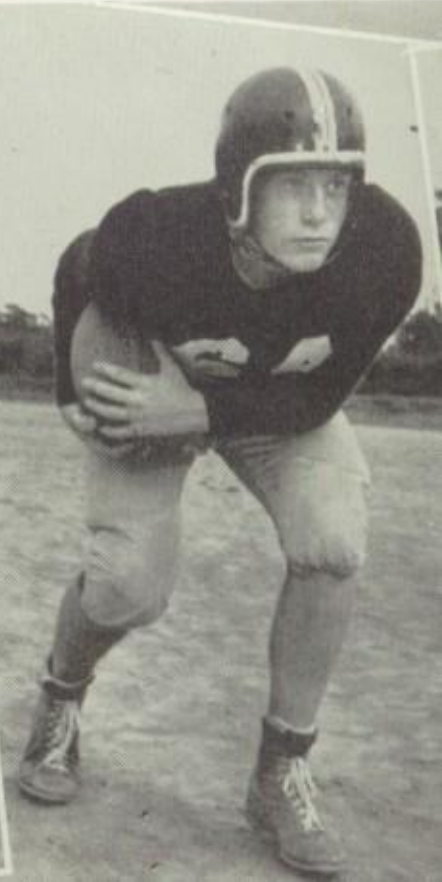

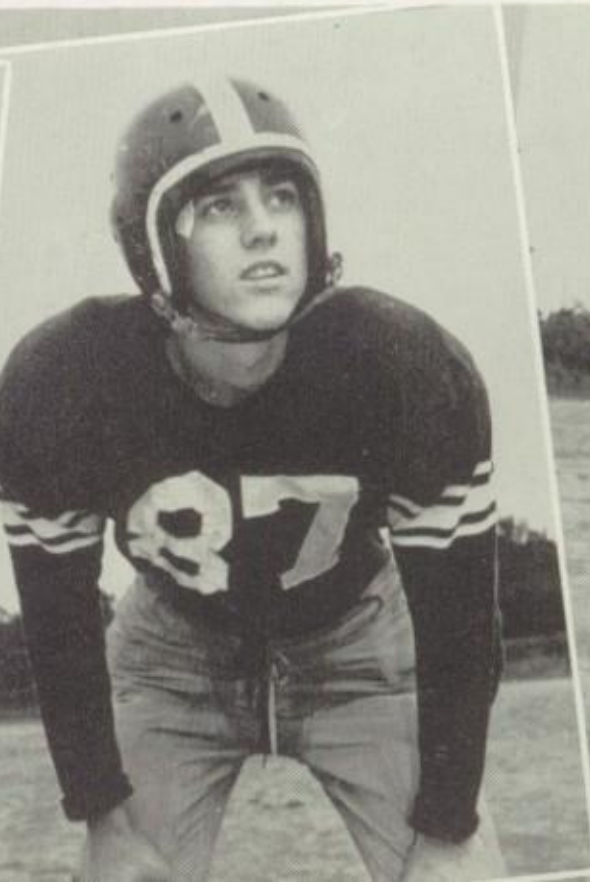

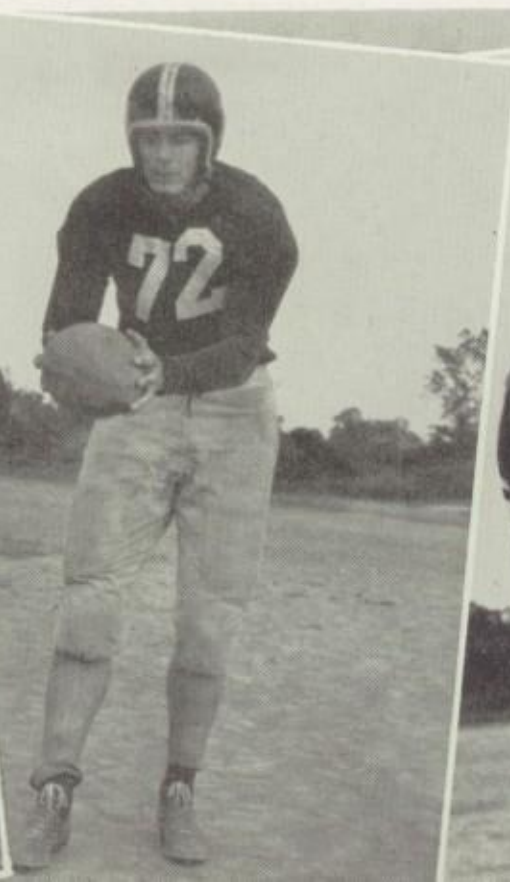

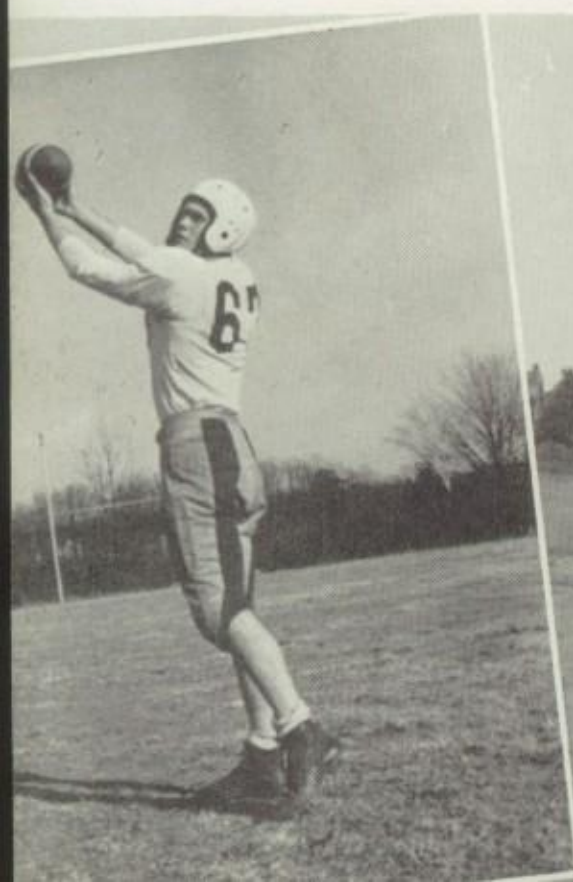

"Big John's" ability was shown last year, when he received honorable mention for all-state at right end. He shifted to wing back this year and proved to be even more capable when he was chosen to play along with Saine in the Optimist Bowl at High Point.

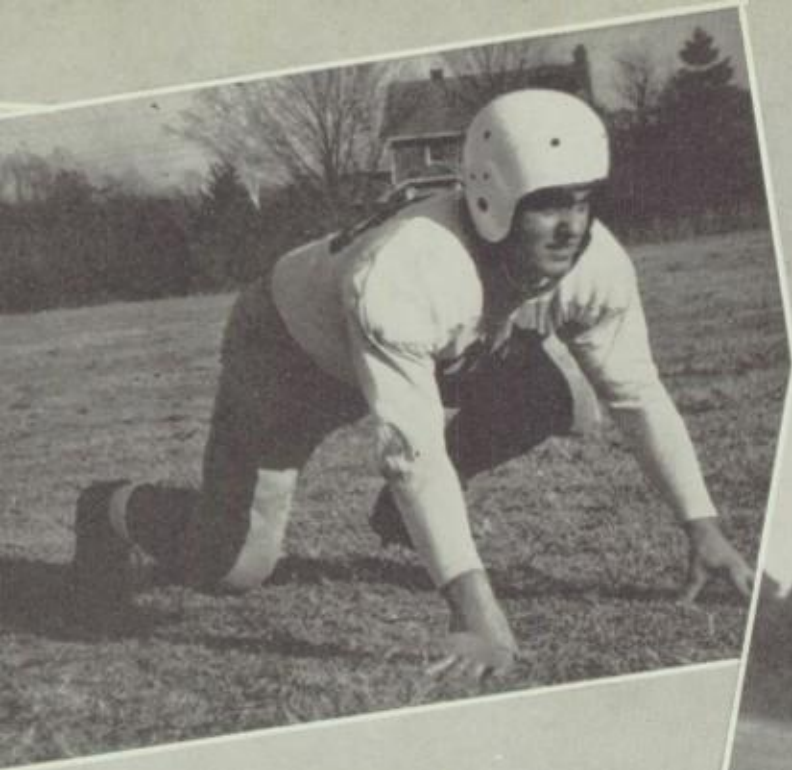

CAMP

COULTER

MULL

MITCHELL

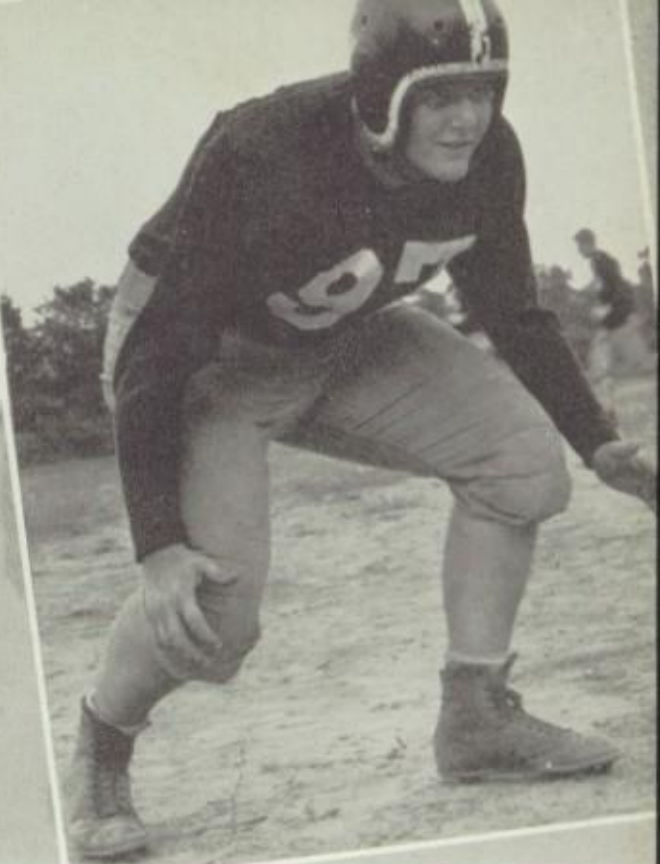

KING

SAINÉ

WITHERSPOON

TED MULL, Wing Back, Sophomore.

As a first year man, Ted has proved he has what it takes to become an outstanding player.

JIMMY MITCHELL, Blocking Back, Senior.

Jimmy's brilliant quarterbacking and effective blocking paved the way for many a needed yard.

CECIL LONG, Blocking Back, Senior

Cecil's vicious blocking paved the way for many a nice gain. His determination will be long remembered by his teammates.

GENE FRYE, Fullback, Senior.

When Gene hits, something has to give, and it usually is the enemy's line. This plunging fullback's ability is shown by the fact that he was honorable mention for all-state two years. This year Gene received added laurels by being named on the all-conference team as well as playing in the annual Shrine game at Charlotte.

FRED DALE, Tailback, Senior.

Sonny, a great competitor, will be remembered for his outstanding defensive play. Fred was used mainly for passing in offense,

where he had a remarkable record. In 1948, he completed forty of eighty passes and led the Hickory squad in total offense.

BOBBY HENDRIX, Tailback, Junior.

Bobby proved that dynamite comes in small packages. His spectacular and exciting runs brought the fans to their feet time and time again.

ELI HAYES, Fullback, Junior.

The experience Eli has gained this year will be of great value to the team next year. He is one of the hardest runners on the team.

TED HEFNER, End, Senior.

Ted's determination and fighting spirit should set an example for others to follow in the field of sports. He has an uncanny ability to catch passes.

LARRY TEAGUE, Center, Senior.

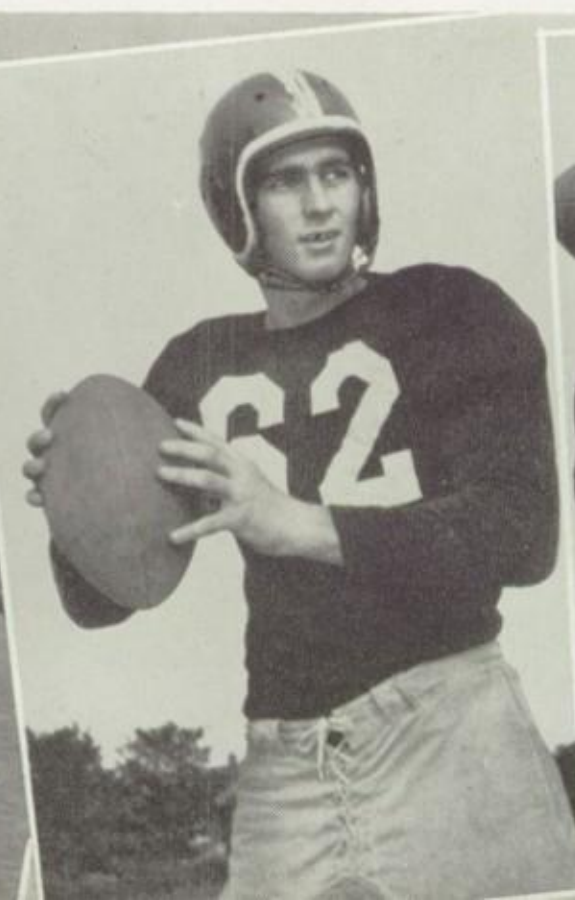

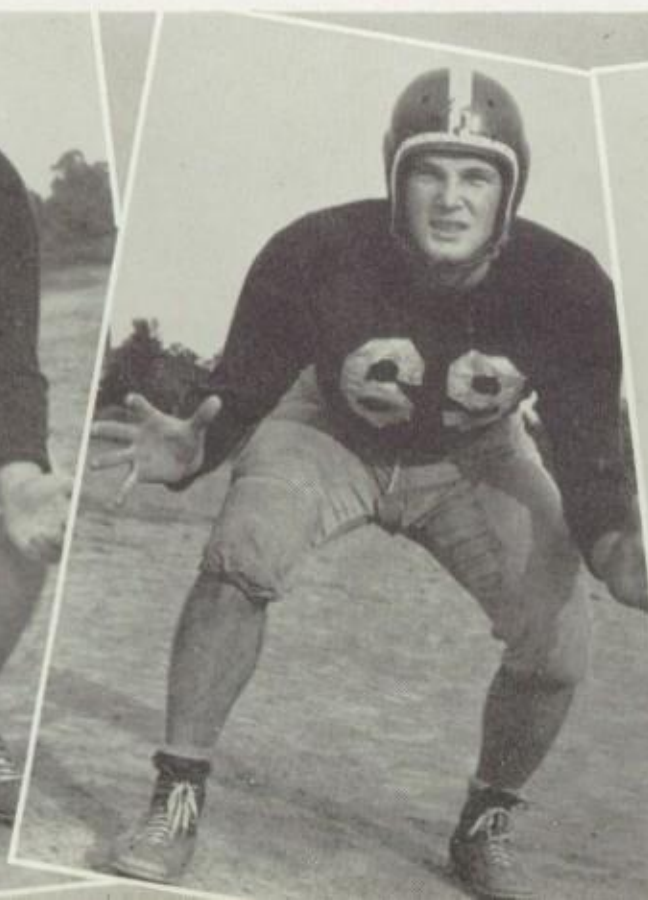

Larry is able to adapt himself quickly to meet the problem, as shown by his play at guard and at the flanking position. His play helped Hickory to have a very good season.

LONG

FRYE, G.

DALE

HENRIX

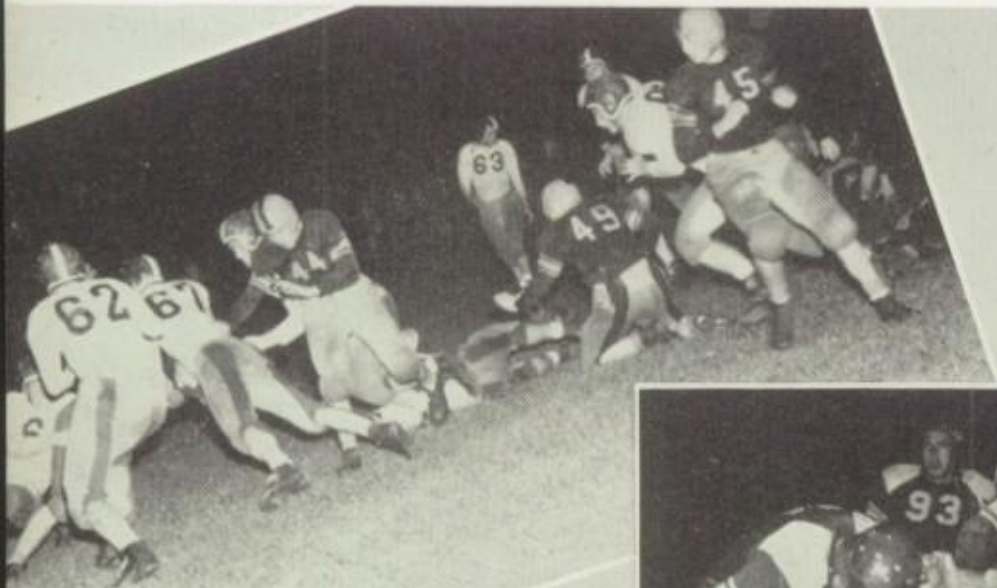

Football Write-ups

The Hickory High School Red Tornadoes successfully opened their 1949 football season by trouncing Spencer of the South Piedmont Conference 49-0 at College Field, September 9th. Bobby Hendrix returned the opening kick-off eighty yards for a touchdown and the riot had begun. Before the game ended, TD's were scored by Fred Dale, Gene Frye, John Coulter, and Dick King. Reserves played a major part of the last half.

Art Ditt's highly regarded Marion team came to town on September 16, but Bob Hendrix's brilliant 32 yard jaunt late in the final quarter gave the Tornadoes a 12-6 win in a Western Conference game at College Field. Larry Teague blocked a kick and scored to give Hickory a 6-0

lead at half, but Dan McCall chugged six yards to tie the score for the Rippers before Hendrix's run won the game. King, Saine, and Walls were outstanding in the Garnet and Gold line, while Ayers led the losers' forward wall.

The slick "T" formation and Ned Pennell's uncanny faking, proved too fatal to Hickory, as Lenoir defeated the Tornadoes 26-6 at Lenoir on their way to the conference championship. The Bearcats built up a 20-0 lead at half time before the Tornadoes drove for their touchdown in the third quarter. Jim Mitchell lugged the leather the final four yards. Branch lead the Victor's line. Teague and W. Frye stood out for Hickory.

The hard running of Gene Frye and John Coulter, paced the Tornadoes to a 38-7 win over Tech High of Charlotte. The husky seniors scored two touchdowns each as the winners' marked up their second conference win. Dick King proved to be a fifth man in the losers' backfield for most of the night.

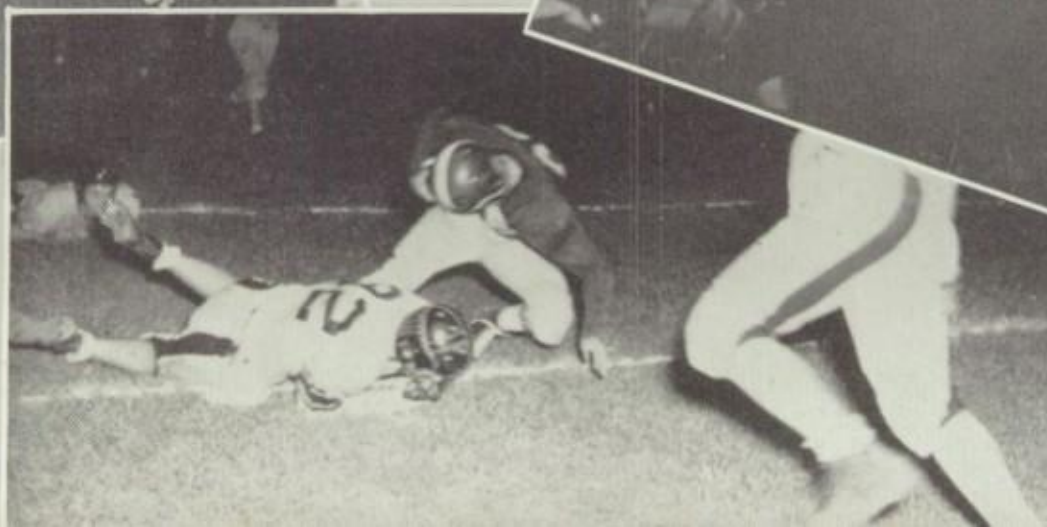

With Hickory's reserves playing half of the game, Coach Buddy Luper's eleven rolled over a weak Newton crew 46-7 at Newton. Frye, Coulter, Hendrix, Camp, and Hayes scored the touchdowns. Mauney was all of Newton's offense, while the entire Hickory line showed up.

Coach Luper left his first team in for forty-six and a half minutes against Forest City at College Park, and gained sweet revenge for the 34-0 loss received by the Tornadoes at Forest City last season. The score HHS 51, Forest City 0. The Tornadoes were now in second place in

the conference standings, and they were pressing Lenoir, should the latter slip and lose a game. Frye, Hendrix, and Coulter were the offensive plugs, with Walls, Saine, and Teague doing well in the line.

The fullback of the western conference duel between Gene Frye of Hickory and Harvey Stratton of Morganton was won by the former as the Tornadoes won 12-0. Frye and Coulter scored the touchdowns with King at guard and Teague at end doing exceptionally well in the line. Stratton was injured in the last quarter and was carried from the field. England played well in a losing cause.

Hickory climaxed a very successful season for themselves and Coach Luper, by trimming Lincolnton 14-6 at Lincolnton. King played his usually good game and Frye stood out in the backfield. Conner and Sanders starred for the Wolves as Hickory finished the season with a 7-1 record.

FRYE

PROPST

HUFFMAN, LIBBY

Girls' Basketball

RUTH FRYE, Senior, Guard.

Ruth is recognized as being one of the best guards to perform for Hickory High in the past ten years. Her defensive ability and fighting heart has endeared her to all the followers of our team.

RACHEL PROPST, Senior, Guard.

Rachel has held down the opponents score on numerous occasions by her quick interceptions. She is a determined guard who plays her best when the going is rough.

LIBBY HUFFMAN, Junior, Forward.

Libby is famous for her one-handed push shot. This tall and beautiful forward is only a junior, yet she has been in the starting line-up for three years.

ALVERTA HUTTON, Sophomore, Forward.

"Bertie" is a smooth and dependable forward. Her deadly passing has set up many a score. We can look forward to seeing her in action for two more years.

BARBARA MERRITT, Sophomore, Forward.

Barbara is a coach's dream. Her over-all floor game as well as her excellent shooting make this Red Tornadoette a valuable asset to the team. Even greater feats will be expected of her in the years to come.

LARUE HUFFMAN, Junior, Guard.

This fast and flashy guard covers the hardwood as if

LEFONE

CAMP

ABERNETHY

HUTTON

MERRITT

HUFFMAN, LARUE

she owned it. Larue can always be counted on to perform brilliantly. We are fortunate to have her with us again next year.

BETTY LEFONE, *Senior, Guard.*

This aggressive guard doesn't know the meaning of the word "quit". Betty is capable of tying up the best forwards we have ever faced. Her shoes will be hard to fill next year.

RUBY CAMP, *Freshman, Forward.*

Although Ruby is the only freshman on the squad, she handles the ball like a veteran. She has given every indication that she will continue to play outstanding ball for us as she did for Greenpark last year.

MARY ABERNETHY, *Junior, Forward.*

Mary makes up for lack of height with extreme speed.

She can really move and the opposition's guards find it practically impossible to stop her.

JOANNE WRIGHT, *Junior, Forward.*

Joanne was a member of last year's squad and is continuing her fine play again this year. She is a talented rebound artist with an excellent eye.

CAROLYN SUE DEITZ, *Junior, Guard.*

Carolyn is a polished performer who never lets excitement get the best of her. We are indeed glad she will be wearing our colors again next year.

DOROTHY WENTZ, *Sophomore, Guard.*

In two short years, Dorothy has proved herself to be a valuable addition to our squad. She can hold her own in any type of competition.

CHARLES CAMP, *Forward, Senior.*

Charles has performed on the hardwood for three years. He is a stellar forward whose accurate passes make possible many a score. His twenty points against Fallston in a crucial game is added proof of his ability.

FRED DALE, *Forward, Senior.*

Sonny's specialty is snagging rebounds and tapping them in. He received the Sportsmanship Award in the Valdese Gold Medal Tournament in 1949. Fred was named on the All-Conference Team in addition to being placed on the Kiwanis All-Tournament five.

BOBBY HENDRIX, *Guard, Junior.*

This fast deceptive guard covered the court brilliantly.

He is very valuable both offensively and defensively. Bobby will be in action again next year for the Red Tornadoes Five.

RICHARD ENNIS, *Forward, Junior.*

Richard wasn't a regular this year but could always be counted upon to perform like a veteran when called upon.

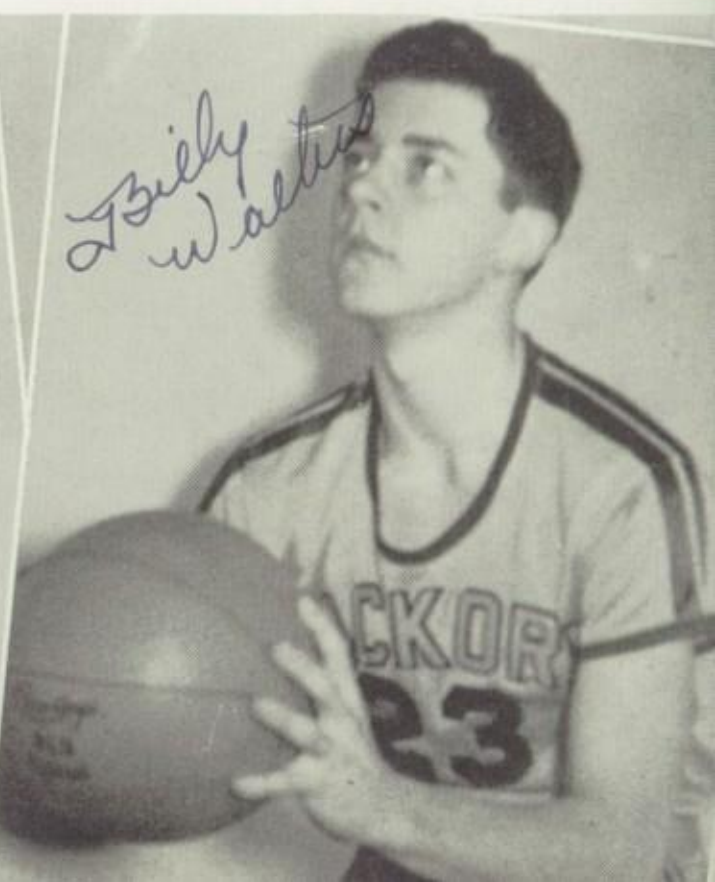

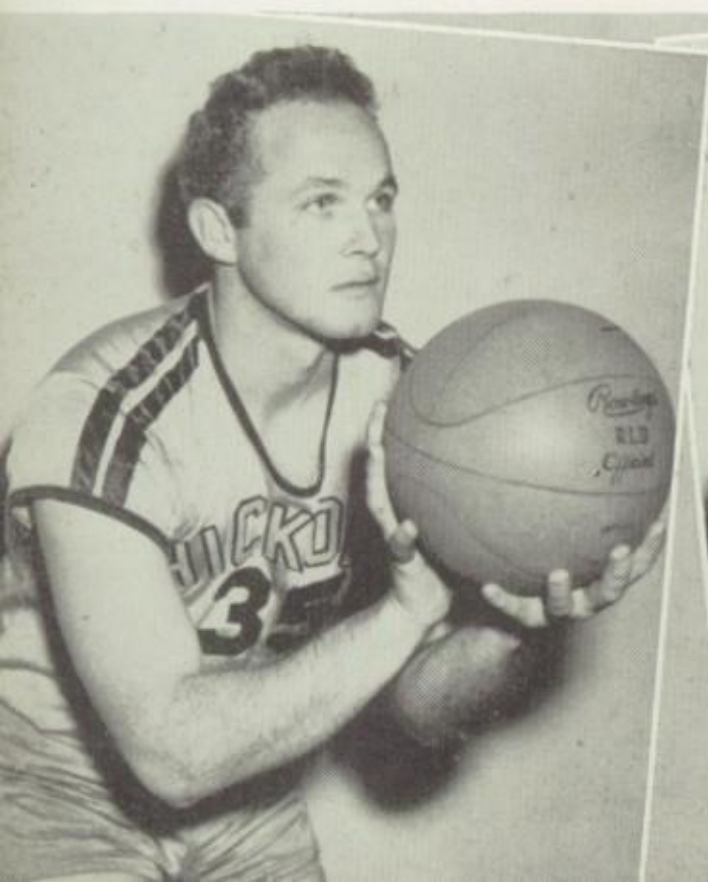

WILLIAM FRYE, *Center, Sophomore.*

This rangy boy is a "Tornado" in every respect. He is in there scrapping from the opening whistle to the final gun. Willie will carry the brunt of the attack for the 1951 Red Tornadoes.

FRYE, G.

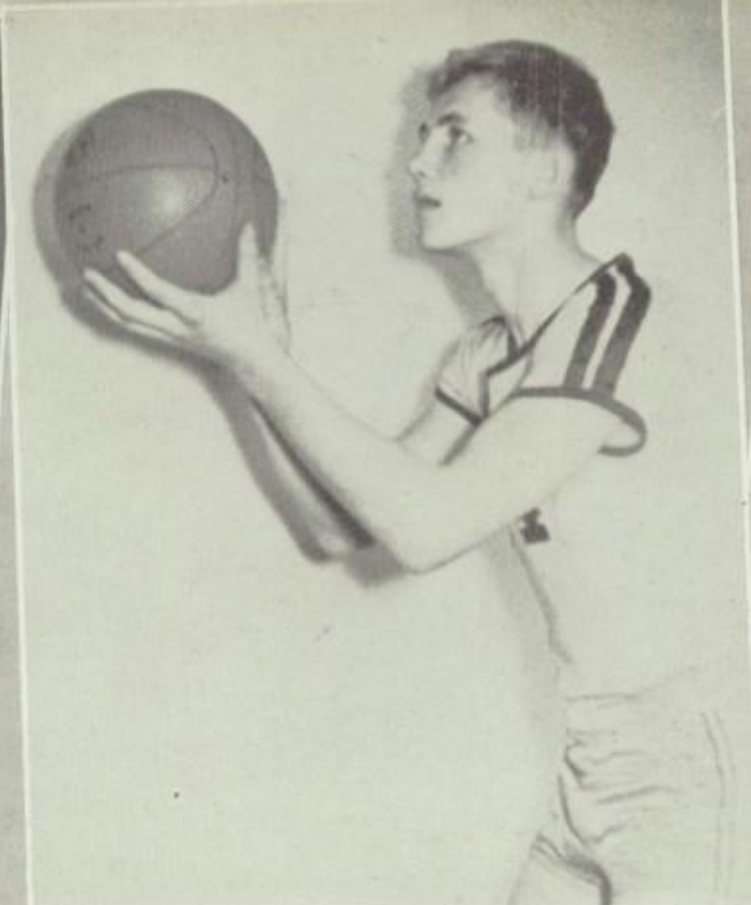

BUFF

WALTERS

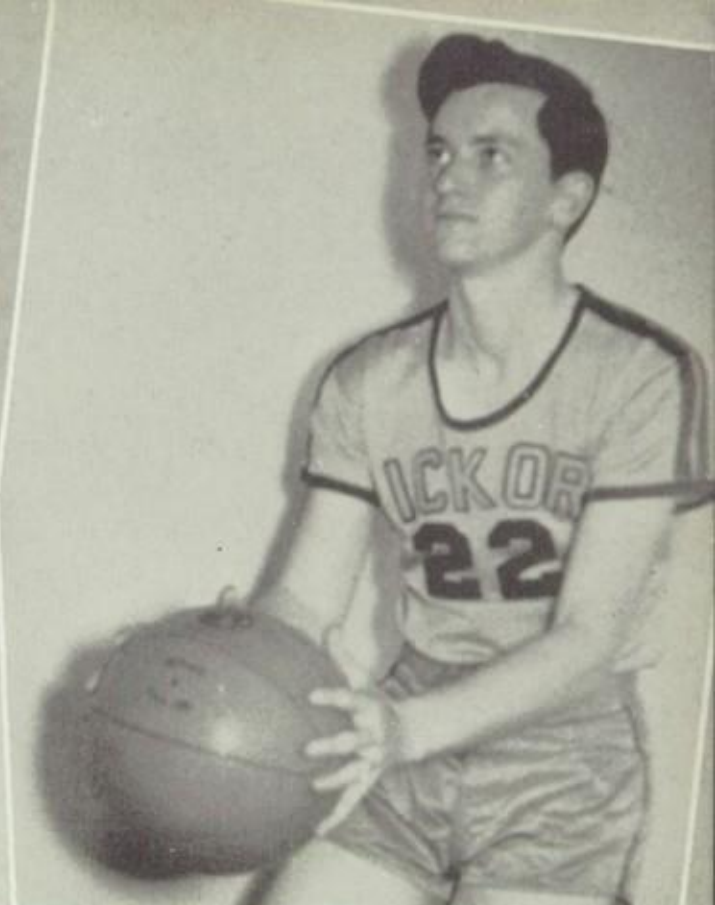

ENNIS

FRYE, W.

LAFONE

JIMMY LAFONE, Guard, Junior.

Jimmy carried over his outstanding play from last year's Junior Varsity to this year's Varsity, where he showed great all 'round ability on the basketball court.

GENE FRYE, Guard, Senior.

Although Gene is short and stocky, he makes up for his lack of height by his scrappy play and deadly one-handed push shot.

JOE BUFF, Forward, Sophomore.

Even though Joe isn't a regular, he is the best ball handler on the team. A great deal is expected of him in the future.

BILLY WALTERS, Guard, Junior.

Billy isn't a starter, but when he has been called upon, his play has been outstanding. We will be looking forward to his play next year.

TED HEFNER, Forward, Senior.

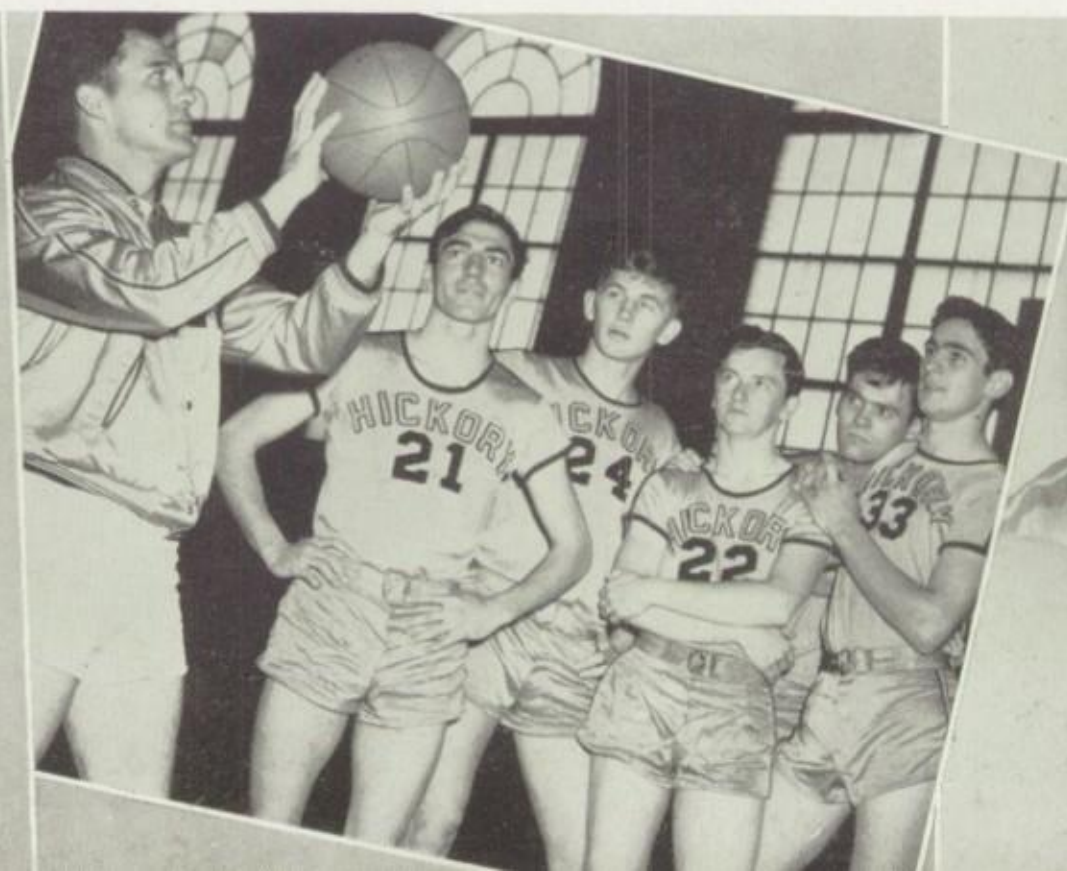

Even though Ted was not called upon often, he was always willing and ready to enter the game. It is regrettable that he didn't go out sooner.

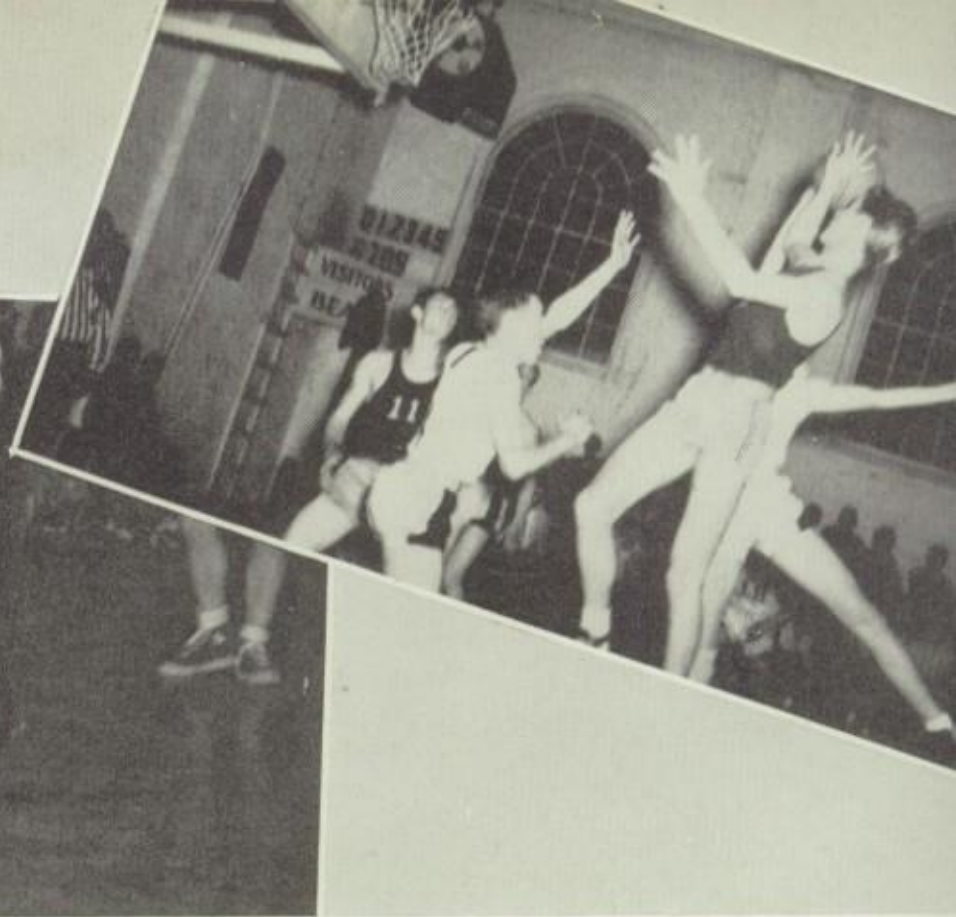

JOHN COULTER, Forward, Senior.

John's greatest asset is on defense. When the opposition starts to score, you can always count on John to break it up. We will miss this big boy next year.

HEFNER

COULTER

OWENS

BUMGARNER

STARR

SHOOK, C.

1949 Baseball Season

LANDIS OWENS, Pitcher, Sophomore.

This pitcher showed his worth last year. He has given every indication that he will be a great asset to the future Hickory High baseball clubs.

RICHARD BUMGARNER, Pitcher, Senior.

Dick is one of the most versatile athletes ever to hit the Hickory High campus. When he isn't fooling the batters with his pitching, he is starring in the outfield for the Lupermen.

BILLY JO STARR, Pitcher.

Billy Jo, a senior lefthander, should see much action on the Tornadoes' mound this season.

CHARLES SHOOK, Pitcher, 49 graduate.

"Bug'un" is a very colorful athlete. He aided greatly in Hickory's successful 1949 season by winning six games and losing one. This strapping fireballer was our workhorse throughout the season.

GENE FRYE, Catcher, Senior.

Gene is playing his last year in 1950. He has shown his ability by being picked all-state Legion ball player in 1948. He also played in the All-Star game at Charlotte in 1949, and turned in a fine performance. Gene lettered in baseball four straight years.

TED HEFNER, First Baseman, Senior.

This was Ted's first year at the initial sack, and he performed like a veteran. He hit well over .300 and made very few errors. First base will again be manned by Ted this year.

WILLIAM FRYE, First Baseman, Sophomore.

"Will" gained his experience on the Legion team last year. He should give Ted Hefner a fight for the first base position.

BILLY WALTERS, Second Baseman, Junior.

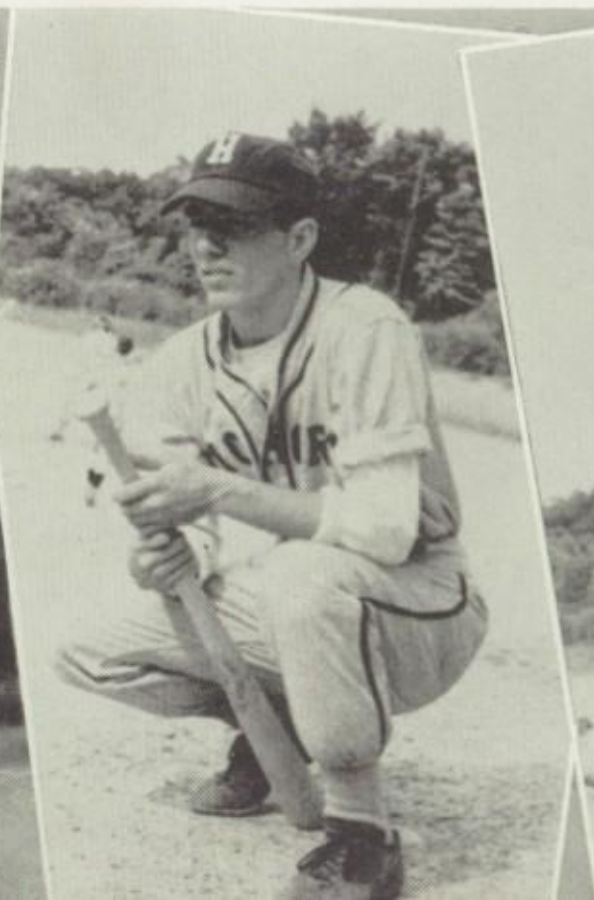

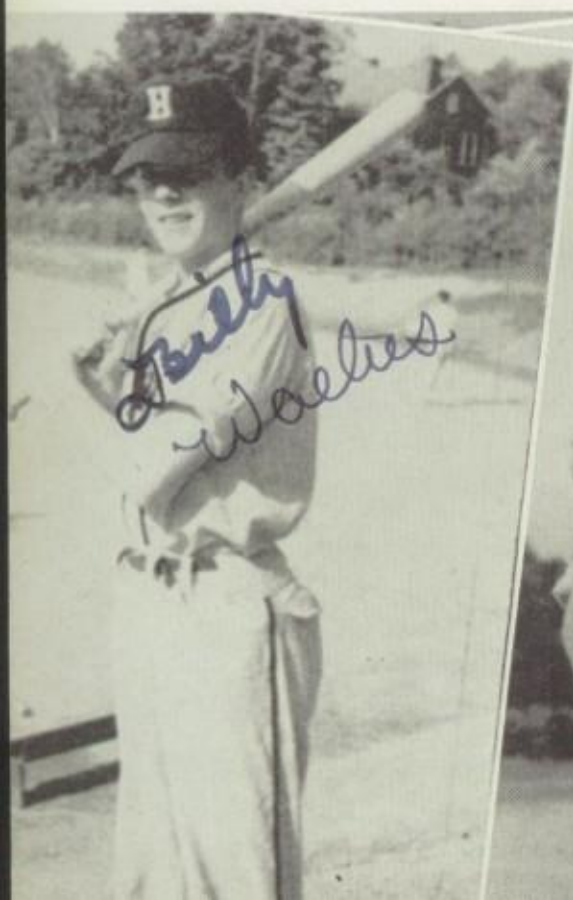

Billy is one of the veterans of the infield, who should see plenty of action this year filling Joe Shook's shoes.

WALTERS

SHOOK, J.

HENDRIX

DALE

FRYE, G.

HEFNER

FRYE, W.

JOE SHOOK, Second Baseman, 49 graduate.

Joe, a little guy with a knack of stealing bases, could always be depended on to come through with a timely base hit. His determination and fighting spirit will be missed by the team this year.

BOBBY HENDRIX, Third Baseman, Junior.

Nineteen fifty will find this flashy fielding third baseman holding down the hot corner for his third straight year. His strong, accurate arm robbed many opposing players of base hits.

FRED DALE, Shortstop, Senior.

"Sonny," as you all know, led the team his sophomore and junior years with brilliant batting averages of .397 and .431 respectively. His ambition is to play college ball at U.N.C., where he is a sure bet to make good. Fred is one of the best fielders in the state. He is an all-state shortstop.

CHARLES CAMP, Outfielder, Senior.

Charles, a cool and level-headed player, is one of our most consistent clutch hitters. When the chips are down, you can always count on Camp. Charles was an all-state outfielder.

REGGIE MUNDAY, Outfielder, 49 graduate.

This polished outfielder covered the outer gardens as if he owned them. Many a long drive was pulled down by this lanky fly hawk. He was capable of lining out a vicious base hit.

BOB MAUSER, Outfielder, Senior.

Bob, in his first year on the varsity last year, gained much needed experience and confidence. He is counted on to play one of the outfield posts this year.

LARRY TEAGUE, Senior.

Larry, a reserve outfielder for the Tornadoes, showed good promise of becoming a good baseball player.

JOHN COULTER, Senior, Not pictured.

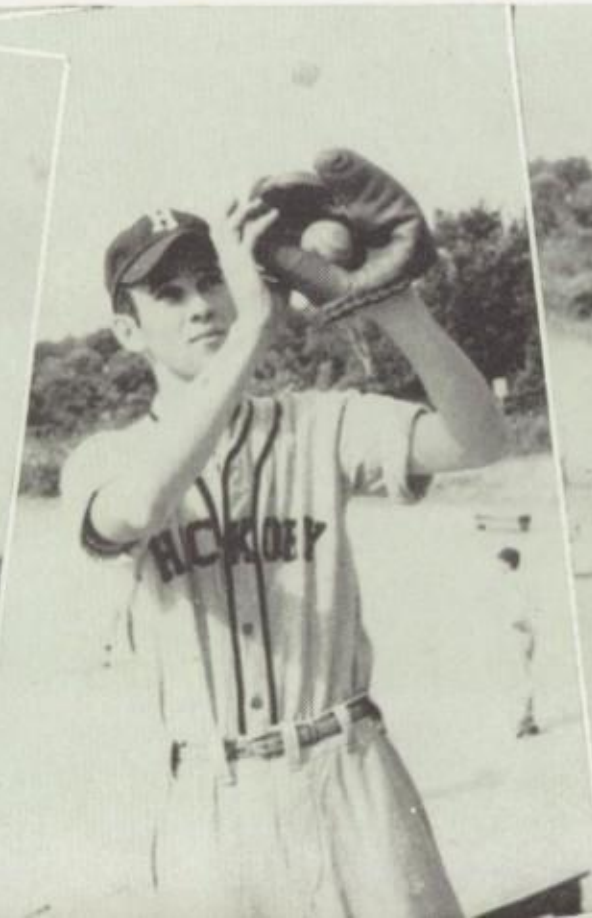

Here is a boy who is going to see a lot of action on the hill for the 1950 Red Tornadoes. Since the pitching staff will be weak this year, John will have the majority of the load.

CAMP

MUNDAY

MAUSER

TEAGUE

Baseball Write-ups

TECH 2-HICKORY 1

Francis Killian, who starred for the Landis Millers of the N. C. State League last year, set down the Hickory Western Conference Champions of 1948 by limiting them to seven hits and one run, as Tech High topped the Red Tornadoes 2-1 in the season opener.

Dick Bumgarner led Hickory with two for four and he pitched magnificently, but shoddy fielding gave him a loss, although he fanned 13 and gave up only five hits.

SHELBY 8-HICKORY 7

Floyd Cooke, the ace of the Shelby moundsmen, came in the game in the eighth inning and held the Tornadoes as Shelby nailed down an important victory, which helped them to the 1949 championship. Errors again cost the Hickory nine as they were handed their second straight loss, this one by an 8-7 score.

Dick Bumgarner led the disappointing home forces with three hits, while several players paced the winners with two hits each.

HICKORY 10-CHERRYVILLE 7

Bumgarner pitched and batted the Red Tornadoes to their initial win, the score 10-7. Cherryville's game Ironmen were victims of a slugging Hickory crew that knocked out 14 hits.

Joe Shook and Ted Hefner banged out home runs for the winners, while Buddy Robinson led the Cherries with two for four.

TECH 5-HICKORY 2

Again Francis Killian stymied the Tornadoes, and this time on four hits, as Tech beat Hickory 5-2 to practically eliminate Hickory from the conference championship.

Dale's two hits led the losers, while Dick Bumgarner fanned 17 batters in the eight innings he pitched for Hickory. The game was played in Charlotte.

HICKORY 15-NEWTON 1

Hickory High did some fancy slugging at Newton on April 19, as Charlie Shook pitched a four hit 15-1 win. Dale and Camp had three hits each, and Joe Shook a home run for the winners.

The Red Devils sent three pitchers to the mound, but all of their efforts were for naught.

HICKORY 8-LINCOLNTON 0

Charlie Shook pitched a five hit shut-out over the Lincolnton Wolves in a Western Conference game at Hickory, April 25. Shook fanned seven and walked five in posting his second victory.

Fred Dale's three hits led the winners' hitting.

HICKORY 21-LENOIR 8

The Tornadoes handed Lenoir its first loss by downing the Bearcats at Hickory 21-8 in a slugfest. Charlie Shook chalked up his third win due to his excellent relief pitching. Dick Bumgarner, starting pitcher, was the top hitter with three for four, including a homer.

A big 6th inning which saw eight runs pour across the platter, gave the Red Tornadoes the win. Dean Baker, Lenoir ace, was knocked from the box during this hectic inning.

HICKORY 6-MORGANTON 1

Bumgarner pitched Hickory to a 6-1 conference win over Morganton at College Park, May 3. The husky chunker had three for three to lead the hitting. Joe Shook had two for three, and Harvey Stratton led the losers with two for four.

HICKORY 9-MORGANTON 2

Reggie Munday and Ted Hefner brought out their big bats and paced the Tornadoes to a 9-2 return game win over Morganton. Charlie Shook hung up his fourth win in a row by giving up only five hits.

Munday had a homer and a double, and Hefner three for five.

LINCOLN 5-HICKORY 4

Errors proved costly as Lincoln upset the locals 5 to 4 at Lincoln. Hickory rallied for three runs in the ninth, and the fourth was nailed on an attempted squeeze play.

Joe Shook hit a homer for Hickory, while Cashey led the winners with two for three.

HICKORY 3-GASTONIA 2

Charles Shook pitched Hickory to a 3-2 win over Gastonia, the AA State Champions. It was the Gastons' first loss of the year as "Big-um" hung up his fifth win.

Gene Frye had two hits for the winners, with Fall's two leading Gastonia.

HICKORY 15-LENOIR 2

Hickory slugged out a 15-2 win over Lenoir at Lenoir behind Dick Bumgarner. A single by Bobby Clark was the only dent in Bumgarner's pitching for the first seven innings. A home run and an error gave the Bearcats a run in the eighth and ninth.

Charles Camp had four hits for Hickory.

HICKORY 13-NEWTON 5

John Coulter pitched the Tornadoes over Newton 13-5 at Hickory on May 20th. Bumgarner's three hits paced the eleven hit attack of the winners.

Although the Tornadoes disappointed many by not taking the conference crown again, they knocked off their arch rivals, Newton, twice.

HICKORY 5-SHELBY 1

Hickory's Bumgarner pitched his team to a 15-1 win over the conference champions, Shelby, at Shelby on May 26th. He bested Floyd Cooke in a pitchers' duel by giving up only three hits. This magnificent performance clinched Dick a position on the All-State team. He fanned 18.

Fred Dale was the hitting star with two for two and he scored three runs.

CHERRYVILLE 7-HICKORY 6

Cherryville upset Hickory in an exciting game at Hickory by a 7-6 score. The Cherries handed Charles Shook his only loss in his high school career. Two errors in the top of the ninth cost Hickory High the game, as the winners pushed across three runs. Joe Shook had four hits for Hickory.

CHARLES CAMP AND FRED DALE

AMERICAN LEGION JUNIOR BASEBALL

The American Legion Baseball Team, sponsored by the American Legion Post 48 of Hickory, turned in another great session of baseball. The team, coached by Troy Washam, turned in a 13 win—7 loss record which advanced them to second round play.

They were finally defeated by the Marion Legion Juniors, backed by the sensational pitching of Billy Joe Davidson.

Charles Camp and Fred Dale played exceptional games during the session. Both the senior boys made the All-State Legion Team.

Well, ole Betty Kepley. — — —

Here I go to mess up a page in your nice new "Log." I hope you won't mind, but you know me!!!

Ever since we've known each other, we've always had a lot of fun and good times together!!

This year, we've been in geometry, English, and band together!! Some fun, eh what?

I would like to tell ~~you~~ ^{you} that, ~~event~~ with me on my first out-of-town (night) trip - (me driving) which was to Newton, for the J.V. tournament. Remember what happened afterwards - The Haunted House -!!

Compliments of a And you seem to like it so much, I'm going to make you go out there and live!!!!!!

HICKORY FRIEND

Betty, you know how much I think of you, even though express it, I can't!! You are, ^{such} a very dear, sweet, kind, honest, truehearted, etc., etc, etc, friend, that it honors me greatly to be your friend! (You always listen to all my wee, trivial problems. So let's look to the future!! Shall we??)

Best of luck in everything!!!!

as always
Melinda Brown

Dear Betty,

To one of the first people I met when I came to Hickory. Betty you are a swell girl kind, and all that stuff. I hope we bring our friendships closer to gooder year by year.

Betty
It's been fine
knowing you this past
year. I'm sure we can
go on being good friends
for a long long time.
Best wishes,
Dith Benthart

Dear friend,

Since the last two pages have been written on I'll have to cut this short and write only two pages. For anyone who loves to talk as I do, it is rather hard to express all I have to say in so short a space. I think I'll just wander back into the past and recall a few of the grand times and experiences we have shared: (Overlook the composition as I am putting down things as I recall them regardless of paragraphs.) Can you remember how we used to play football last fall in the street with the "Forest Hills Slickees"? Gee - what a life!! It's a good thing that we all had biology at the same time 'cause we sure have been able to help each other. Just think - next year instead of learning all the organs, processes, enzymes and hormones I'll be learning all sorts of chemical formulas! We have really worn paths and trails all through the woods from hunting specimens. Remember the opossum? Last spring we went across Gutner Road and picked apple blossoms, then when we got home, do you remember how I got in a fight with Jerry? ha ~ How about the afternoon we played football in the sand at the creek? Boy, Tommy doesn't know what he is missing by not letting us sweep out the bus, does he? Eddie better not drive it next year, 'cause I want to run to catch it at 8:00 instead of 7:30. It seems so quiet on there this year - maybe it's because I have shut up partially ~ Remember the pictures we took last

spring which didn't even turn out. Small wonder!! Gee, time sure flies doesn't it? Wonder what the future has in store for us!! Remember the J. V. tournament in Newton and the haunted house afterward? You will be on the varsity team next year and you'll get to go on all the basket ball trips. Then I won't have anyone to tell everything to. (if I get to be manager again) Next year when you join us on the "Log" staff I don't want to see you trying to take Mr. Burrus away from me. I hope you fare better down there than I have. Here's hoping Remember the parties we've had? Let's have many more equally as "rare." I hope you hurry and get your yard fixed so I can really cut loose. Remember the times we - ah - played in the snow? Gee, we didn't even have a good frost to play in this winter, did we?

Now Betty, you see I wrote small so I could write a lot and now the pages are about filled. I could never recall everything we have done or said, perhaps that's a good thing. So I'll just close the book of memories and bring this to a close. I hope we will continue to be friends and I shall cherish your friendship forever. Even if you do eat peanut butter on your carrots and even if it does take a bigger girdle for you than it does for me, I honestly love you cars, trucks and wagons full. So to a very good friend and neighbor here's wishing all the luck, health, success and happiness this old world has in store.

Luff ya lodes,
Little Mo.

Dear Betty,

I am indeed honoured to
get to write in your log.
We haven't to any classes to-
gether this year, ~~as~~ but I
hope we can have some
together next year. I have
enjoyed sharing your friendship.

I think you have a
wonderful personality and
sense of humor. I think
you are a very sweet and
cute girl.

Best of luck in the
future. I know you will
have a successful one.

Love ya,

Jo Anne

3/30/50

Dear Betty,

you didn't reserve me this page in your log, but I'm using it anyway. I will certainly take at least a page to write all the good things I know about you.

I think you are one swell girl, with the best personality. I haven't known you except for this first year I have in High School, but my opinion of you is very high. I have enjoyed having you for a friend.

Remember all the parties we have been at? Especially your party! Dec. we had lots of fun! I think your party was a wonderful success.

Dec. the bell is going to ring so I will have to hurry this up. I am supposed to be listening to Spanish discussion, but - - - - -

I really think you are a fine gal and a real pal. I'm wishing you a wonderful future!
